Preciosa Ornela introduces seed beads from the PRECIOSA Traditional Czech Beads ${ }^{T M}$ brand.

# Charlotte bead tassels 

## Charlotte bead tassels

The miniature cut seed beads known as Charlotte beads stand out from the other cut seed beads in the PRECIOSA Traditional Czech Beads range. This name is given to cut rocailles in the size designated as 13/o. The reflections from the two cut surfaces contribute to the luxurious appearance of the tassels, which need not only be used
to create extravagant earrings.
