

BLUE FROM SKY

MIXED ROCAILLE PENDANT IN SOLGEL TONES

DESIGN BY JAROSLAVA RŮŽIČKOVÁ

PRECIOSA ORNELA introduces seed beads
from the PRECIOSA Traditional Czech Beads™ brand.

PRECIOSA ORNELA is the manufacturer of the widest range of glass seed beads in the world. One of the most popular color decorations is **Solgel**. Create a simple pendant made from four sizes and three shades of sky blue Solgel colors on rocailles applied to crystal glass, alabaster and white chalk.

Materials and tools:

PRECIOSA Rocaillles
331 19 001; 12/0, 10/0, 8/0, 4/0;
a mix of sizes and shades of sky blue Solgel colors; approx. 10 g

0.3 mm jewelry wire; crimping pliers; ruler;
4 cm headpin; cell phone cord; flat-nosed pliers

Difficulty: ●●●●●

Procedure:

STEP 1
Cut 80 cm of fine jewelry wire and string the rocaille mix so that 1 cm of wire remains on both sides (Fig. 1).

STEP 2
Twist the wire ends together approx. three times (Fig. 2).

STEP 3
Wind the rocaille wire you just strung to create a small sphere. Just before finishing tighten the wire and hide the wire ends in the sphere (Fig. 3).

STEP 4
String 1x the largest rocaille bead from the mix onto the headpin, then the rocaille sphere from STEP 3 and then another 1x of the largest rocaille bead. Shorten the headpin so that 8 mm remain free and create an eye with your crimping pliers. (Fig. 4).

STEP 5
Attach the eye to the cell phone cord (Fig. 5).
