PRECIOSA *Farfalle*TM

The exceptional PRECIOSA FarfalleTM seed bead from the PRECIOSA Traditional Czech BeadsTM brand is named after the Italian word for a butterfly, Farfalla. It is produced in two sizes; 3.2 x 6.5 mm and 2 x 4 mm.

The elliptical hole is located in the narrowed central section of the seed bead so that, when strung, they automatically cross and create a so-called interlocking effect.

Cut Farfalle with 1-2 cut facets are a special type of PRECIOSA FarfalleTM seed beads which provide this article with added brilliance.
